

THE REQUIREMENT FOR QUARANTINING MATERIALS HAS COME TO AN END!

Effective **June 11, 2021**, the Provincial government has amended pandemic related restrictions* for Public Libraries which eliminate the need to quarantine materials.

KTPL will **no longer be enforcing** a mandatory 72 hours quarantine on returned items!

The Library will continue to update our COVID-19 protocols as needed to comply with any changes in the provincial and public health guidelines.
