HARRY G. R. MOUNT

Write him as one who loves his fellow-men.

The Stork left Harry at Aurora in February, 1896. Here his knowledge of the three 'R's' was gained. He served Overseas from January, 1916, until "finis," winning the M.M. at Passchendaele. Entered Meds 2T4.

Big, honest and likeable; he can even heal broken hearts.
