- Delivering basic circulation and information services to the public, proactively pursuing opportunities to assist library users, anticipating needs, and striving to exceed expectations
 - Shelving materials in their proper location with accuracy and efficiency
 - Shelf-reading and maintaining orderly shelves, including shifting as needed
 - Ancillary duties including photocopying of materials, straightening and tidying library shelves, tables and lounges, cleaning and inspecting audiovisual materials and equipment
 - Handling cash, debit, and credit card transactions
 - Basic awareness of the Library's suite of electronic platforms, ILS (catalogue), and digital resources to effectively serve, and when possible, instruct the public in the use of these resources, actively promoting them where appropriate
 - Communicating empathetically and effectively to all demographics and user groups
 - Recognizing boundaries of service capabilities, the ability to discern when a patron requires assistance from qualified staff and how to professionally facilitate that transfer of service
 - Troubleshooting and addressing problems with equipment and technology as needed
 - Using the communication tools provided, keeping up to date with critical information, i.e., program schedule, events, service offerings, process updates, etc.

- Updating branch displays and promotional materials as directed by Marketing & Communication staff
- Collecting statistics and reporting as required
- Assisting with programs and events for all ages as directed by Programming staff
- Participating in collection maintenance activity as directed by the Branch Supervisor or Manager of Collections and Technology (e.g. shelving, shifting)
- Safe operation of library equipment and facilities in compliance with all Library Policies and Procedures including Health & Safety, Personnel, etc.
- All other duties as assigned

QUALIFICATIONS:

- Secondary school diploma or equivalent
- Experience in customer service
- Experience in a library and familiarity with integrated library systems is considered an asset
- Strong oral communication skills
- Fluent in English (verbal, writing, and reading)
- Experience working with computers and comfortable learning new technology, e.g. online searching, Google applications, library tools, etc.
- Works as a team player, contributing to the overall success of the library and exhibits a learning and growth mindset
- Reliable transportation is a must – minimal or no public transit service depending on the branch
- Minimum physical requirements: able to lift 30 pounds, bend, reach, and stretch, read fine print and computer screens, hear and verbally respond to both in-person and over-the-phone transactions

WORKING ENVIRONMENT:

- Rapidly changing, highly automated public environment serving all demographics and user groups
- Primarily works a regular schedule at assigned KTPL branch, with opportunities to work at other branches or community events, which may require local travel
- Works in a sometimes noisy, customer-driven environment with frequent interruptions
- Occasionally stressful when serving the public and stakeholders: may be exposed to conflict and emotionally charged situations
- Involves standing, computer and electronic device usage, and occasional light physical exertion (e.g. pulling, lifting & carrying materials, boxes & equipment)

COMPETENCIES:

Customer Service

- Provides excellent service in person and over the telephone
- Maintaining positivity and enthusiasm in a busy work environment
- Recognizes when to refer users or questions to other staff or Supervisor
- Uses tact, discretion, and respects confidentiality

Learning and Personal Growth
