<b>5.</b>	<b>Business Arising from the Minutes</b>
<b>5.1</b>	<b>Membership Renewal Review</b> <p>CEO Adele Reid provided an update on membership renewals, following the Board’s request for further information at the January meeting. Ms. Reid reported that she conducted a survey of Ontario libraries regarding their membership renewal policy. 59 systems responded and 68% reported a 2-year renewal frequency. This confirms that KTPL’s current renewal practices within are consistent with those followed by most library systems.</p> <p>Ms. Reid also provided additional context regarding the Provincial definition of an active library member. The Ministry of Tourism, Culture and Gaming, through its requirements for the Annual Survey of Public Libraries, defines an active library cardholder as user who have used, activated or renewed their library card in the past two years.</p>

Ms. Reid noted that the current process of requiring in-person renewals enable staff to thoroughly review each patron’s account, update any outdated information, and verify their identity through photo identification. This step helps ensure the accuracy of member records and supports compliance with provincial reporting standards. She also noted that if a patron is in good standing, staff will override the renewal until they are able to get into a branch, to not disrupt service.

Board member Patti Skrypek inquired as to why patrons are unable to complete the renewal process through their online accounts. Ms. Reid acknowledged the potential benefits of introducing a digital renewal option and advised the Board that she will investigate whether an online renewal process can be implemented in a manner that is secure, reliable, and transparent for patrons.

## **5.2 Board Succession**

A Board Succession Committee was established and will be comprised of Board Chair Caroline Anderson, Board Member Patti Skrypek, and KTPL CEO Adele Reid. Ms. Anderson requested that discussions and meetings related to Board succession be deferred until March due to her scheduled absence.

CEO Adele Reid reiterated key priorities for succession planning, noting that the Committee will begin by drafting a Legacy Document. This document will outline aspirations for the incoming Board, support continuity of governance, and provide guidance to ensure a smooth transition between board terms.

Ms. Reid will also provide the municipal Recruitment Committee with an updated Board Member Job Application, as well as a refined Board Member Job Description and recruitment brochure. These materials will emphasize expectations related to time commitment and regular attendance at monthly meetings.

The purpose of the Recruitment Committee (members of Municipal Council) is to identify and recruit prospective Board members who demonstrate a strong commitment to their role, including the willingness to act as ambassadors for the library—advocating for its value, fostering positive relationships with municipal partners, and representing the interests of the community.

## **5.3 Policy Committee – Vacant Member Position Update**

Following the discussion regarding the vacancy on the Policy Committee, it was agreed that Board Members Caroline Anderson and Rose Grimaldi will jointly assume the committee’s responsibilities going forward.

9.		<b>Information</b>
	9.1	<p><b>CEO Report</b></p> <p>Since the January 20 report, the draft Age Friendly Community Action Plan (AFCAP) was presented to Council, outlining key needs for an aging population. The Library is identified for its communications role and continues to support age-friendly initiatives through daytime tech programs, community-driven programming, and past COVID-19 assistance. Board members may review the draft and send comments to Adele Reid; the reference to “King City Public Library” will be corrected.</p> <p>The CEO attended the 2026 OLA Super Conference, participating in sessions on governance, municipal change, data practices, and library-space planning. The Library will continue using its current time-and-attendance system until the Township’s system supports multi-site scheduling.</p> <p>Ms. Reid reported that the branch usage analysis has been completed, and recommendations for revised hours will be brought forward at the March Board meeting, subject to quorum.</p> <p>The Board acknowledged the significant inclement weather experienced in January and expressed their appreciation to Library staff for their commitment to maintaining services and to the Parks and Forestry team for providing safe access to parking areas and walkways.</p> <p><b>9.2 KTPL’s Contribution to Libraries of York Region</b></p> <p>The Libraries of York Region (LOYR) is a new collaborative group made up of public libraries across York Region, working together to strengthen communication with local school boards. Their shared goal is to help teachers, students, and families better understand how public libraries support learning.</p> <p>Through an agreement with the York Region District School Board, LOYR creates a monthly one-page PDF highlighting age-appropriate, curriculum-aligned resources. Each library system leads the content for one month, and the final document is customized with a unique QR code for each library. King Township Public Library recently coordinated the February Black History Month edition. Participation in this group supports KTPL’s 2026 priority to increase community awareness of its services.</p>
